

## Sure Death to Corns

**"Geta-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.**

The first thing "Geta-It" does when it lands on a corn or callus is to snuff out the pain. Then it shrivels the corn or callus and loosens it.

Soon, it is almost ready to fall off. You help it just a little by lifting it off with thumb and finger. You don't even feel it, because there is no hurt left in it. Millions have proved it the cleanest, surest, safest and most pleasant method. "Geta-It," the never-failing, guaranteed money-back corn remover costs but a trifle at any drug store. Sold by E. Lawrence & Co., Chicago.

Sold in Louisa and recommended as the world's best corn remedy by Louisa Drug Co.
